Can you please advise by return fax if a petition to withdraw holding of abandonment is currently on file for patent application no. 09/113,071.

The information we are able to obtain from PAIR Public and Private indicates that the application is abandoned, with no mention of the petitions we sent to the USPTO in 2003 and 2005 requesting withdrawal of holding of abandonment.

This application is very important to us and therefore we are most anxious to know the status.

Thanking you in advance for your assistance.

Our fax number is +61 2 9555 7762.
